Introducing the Nimbus T11, a stunning 2021 motor yacht that embodies elegance and performance. With an overall length of 12.4 meters.

This Nimbus T11 has had one private owner from new, has always been professionally maintained by Marina Marbella, and is kept ashore for better preservation during the off-

season (approximately 6 months per year).

This boat offers a spacious and welcoming design, perfect for both leisurely cruises and entertaining guests. Manufactured with durable fiberglass, the hull ensures a smooth and stable ride on the water. The Nimbus T11 is equipped with thoughtful features, enhancing your boating experience. Its modern design is complemented by a user-friendly layout, making it an ideal choice for experienced sailors and newcomers alike. The yacht's sleek lines and contemporary aesthetic make it a standout on the water, while its robust construction promises longevity and reliability. Whether you're planning a day on the waves or a weekend getaway, the Nimbus T11 is ready to deliver an unforgettable experience, combining style, comfort, and performance in one exceptional package.
